New York · angeljaime.com · linkedin.com/in/angel-jaime · hello@angeljaime.com

Product leader with **13+ years in product and 15+ in tech** across four countries. I take fuzzy, high-stakes problems and ship products that move real numbers — from 0→1 startups to platforms serving millions. Currently Staff PM for AI.

SELECTED EXPERIENCE

Engine Staff Product Manager, AI

NOW

- ▶ Built the central **AI platform** so any team ships LLM features in days, not months — now powering 6+ AI products.
- ▶ Rebuilt the AI hotel-search assistant: unanswered questions down **~6x**, answers faster and higher quality.
- ▶ Stood up real-time **ML personalization** and its infrastructure; a platform-built assistant won Salesforce's Customer Success Award at Dreamforce 2025.

Revolut Senior Product Manager — Rewards & Referrals

- ▶ Ran Rewards and Referrals and launched **Revolut Points**; line-managed 20+ across two teams.

Hopper Product Manager — International Expansion

- ▶ Drove international expansion for one of travel's largest fintech apps.

Yayzy Chief Product Officer

- ▶ **0→1** climate-fintech measuring personal carbon footprint from open-banking data — Apple App of the Day, a Product Hunt award, 30+ countries.

Booking.com Product Manager — Pulse (partner app)

- ▶ Took Pulse from a sketch to a partner app now used by **1M+** properties; learned to ship at scale.

Just Eat Product Manager — Search

- ▶ Owned search & ranking; **co-authored a published paper** on the ranking algorithm.
